Stock Donation

Giving a Gift Through Stock Donation

Gifts of appreciated stock, bonds or mutual funds are a smart and simple way to support Black Swamp Conservancy. These gifts may allow you to take a charitable donation deduction on your income taxes and avoid capital gains taxes.

You can even use appreciated securities to set up an annuity or unitrust to receive lifetime payments that equal or surpass current dividends. And best of all, your gift will help advance the Conservancy's mission preserve and enhance natural habitats and family farms in northwest Ohio for the benefit of current and future generations.
